

## **TCT07007**

### **Charging cylinder**

- **Measurable cooling medium: R12, R22, R500 & R502.**
- **Large volume gas charging can be possible continuously through the valve operation (open and off).**
- **Minimum scale: 25g**
- **Maximum scale: 2000g.**
- **Cylinder capacity: 2000g**
